  - (i) constitute (or with the giving of notice or lapse of time, or both, could constitute) a 395 Concessionaire Breach; or
  - (ii) require any consent of the Department that is either additional or supplemental to those granted pursuant to this Section 2.01;

(c) without prejudice to the rights granted to the Collateral Agent pursuant to this Agreement, the Collateral Agent will not, by virtue of the security interests referred to in Section 2.01(a), acquire any greater rights to the Concessionaire's Interest than the Concessionaire itself has at any particular time pursuant to the Second ARCA; and

## **Section 2.02 Notice Requirements**

(a) The Department will give the Collateral Agent written notice (a "Department Notice") promptly upon becoming aware of the occurrence of any 395 Concessionaire Breach or other event that permits the Department to suspend its performance under the Second ARCA with respect to the 395 Project or terminate the 395 Project (whether immediately, with the giving of notice, or upon the passage of time (or any combination of the foregoing)) and will specify in the Department Notice:

(i) the unperformed obligations of the Concessionaire with respect to the 395 Project under the Second ARCA of which the Department is aware (having made reasonable inquiry) and grounds for termination of the 395 Project in sufficient detail to enable the Collateral Agent to assess the scope and amount of any liability of the Concessionaire resulting therefrom;

(ii) all amounts due and payable by the Concessionaire to the Department under the Second ARCA with respect to the 395 Project, if any, on or before the date of the Department Notice and which remain unpaid at such date and, by cross-reference to the applicable provision(s) of the Second ARCA, the nature of the Concessionaire's obligation to pay such amounts; and

(iii) the amount of any payments that the Department reasonably foresees will become due from the Concessionaire during the applicable Cure Period.

(b) The Department will update any Department Notice issued pursuant to Section 2.02(a) as and when it becomes aware of any unperformed obligations of the Concessionaire with respect to the 395 Project (including non-payment of amounts that have become due) under the Second ARCA that were not specified in the relevant Department Notice.

(c) For the avoidance of doubt, nothing in this Agreement will prevent multiple Department Notices running concurrently.

(d) The Collateral Agent will:

(i) promptly upon becoming aware of any 395 Concessionaire Breach (whether or not a Department Notice has been served in connection with the same event) give the Department written notice (a "Collateral Agent Notice");

(ii) specify in any Collateral Agent Notice the circumstances and nature of the 395 Concessionaire Breach to which the Collateral Agent Notice relates; and

(b) The Department will, unless directed otherwise by the Collateral Agent, deposit all lump sum payments with respect to Future Borrower Damages payable by it under the Second ARCA, into the Designated Account.

(c) The Collateral Agent acknowledges that all of the Department's payment obligations to the Concessionaire pursuant to the Second ARCA are subject to Section 25.19 of the Second ARCA.

## **ARTICLE 3. RIGHTS AND OBLIGATIONS DURING THE CURE PERIOD**

At any time during a Cure Period, the Department will not, subject to the terms of this Agreement:

(b) suspend its performance under the Second ARCA with respect to the 395 Project.

### **Section 3.02 Collateral Agent Rights**

(a) At any time during a 395 Concessionaire Breach, only for so long as the Initial Period has not expired, the Collateral Agent may (but shall have no obligation), at its sole option and discretion, perform or arrange for the performance of any act, duty, or obligation required of the Concessionaire under the Second ARCA with respect to the 395 Project, or remedy any 395 Concessionaire Breach at any time, which performance or remedy by or on behalf of the Collateral Agent will be accepted by the Department in lieu of performance by the Concessionaire and in

satisfaction of the Concessionaire's obligations under the Second ARCA with respect to the 395 Project. To the extent that any 395 Concessionaire Breach is remedied and/or any payment liabilities or obligations of the Concessionaire are performed by the Collateral Agent under this Section 3.02(a), such action will discharge the relevant liabilities or obligations of the Concessionaire to the Department. No such performance by or on behalf of the Collateral Agent under this Section 3.02(a) will be construed as an assumption by the Collateral Agent, or any person acting on the Collateral Agent's behalf, of any of the covenants, agreements or other obligations of the Concessionaire under the Second ARCA.

### **Section 3.03 Extension of Cure Period Completion Date and Initial Period**

If the Collateral Agent:

(a) is prohibited by any court order, bankruptcy or insolvency proceedings from remedying the 395 Concessionaire Breach that is the subject of a Department Notice; or

(b) pursues with good faith, diligence and continuity lawful processes and steps to obtain the appointment of a court receiver for the 395 Project and possession, custody and control of the 395 Project, but despite such efforts the Collateral Agent is unable to obtain such possession, custody and control of the 395 Project;

then each of the relevant Cure Period Completion Date and Initial Period will be extended by a period of time equal to the shorter of the period of such prohibition or 180 Days.

## **ARTICLE 4. STEP-IN ARRANGEMENTS**

### **Section 4.01 Step-in Notice**

(a) Provided that all unperformed payment obligations of the Concessionaire identified in a Department Notice will have been remedied in full or waived by the Department on or before the Step-in Date, the Collateral Agent may provide the Department with a written notice ("Step-in Notice") under this Section 4.01 at any time during any Cure Period or 395 Concessionaire Breach.

(b) The Collateral Agent will nominate, in any Step-in Notice, any one of:

(i) subject to the Department's approval, which will not to be unreasonably withheld or delayed, the Collateral Agent, a Lender or any of their respective Affiliates; or

(ii) any Person approved by the Department, such approval not to be unreasonably withheld or delayed if such Person meets all the criteria to be a Qualified Substitute Concessionaire and the Department has been provided with the relevant information required under Section 5.03 with respect to such Person (each a "Step-in Entity"), stating that the Step-in Entity is to become a joint and several obligor with the Concessionaire under the Second ARCA and this Agreement in accordance with the terms hereof.

(c) The Step-in Entity named in the Step-in Notice will be deemed to become a party to the Second ARCA and this Agreement on and from the date it executes a duly completed Step-in Entity Accession Agreement, substantially in the form attached hereto as Annex 1 (Form of Step-in Entity Accession Agreement), and submits it to the Department (the “Step-in Date”).

#### **Section 4.02 Rights and Obligations on Step-in**

(a) On and from the Step-in Date and during the Step-in Period, the Step-in Entity will be:

(i) jointly and severally entitled to exercise and enjoy the rights and powers expressed to be assumed by or granted to the Concessionaire under the Second ARCA and this Agreement;

(ii) entitled to exercise and enjoy the rights and powers expressed to be assumed by or granted to a Step-in Entity under this Agreement; and

(iii) jointly and severally liable with the Concessionaire for the payment of all sums due from the Concessionaire under or arising out of the Second ARCA at the Step-in Date and for the performance of all of the Concessionaire’s obligations under or arising out of the Second ARCA on or after the Step-in Date.

(b) Without prejudice to Article 7 (Reinstatement of Remedies), during the Step-in Period:

(i) the Department undertakes:

A. not to terminate or give notice terminating the 395 Project for 395 Concessionaire Breach under Section 19.08(a) of the Second ARCA, unless:

(1) the grounds for termination or giving notice of termination or exercise of any of its rights under Section 19.08 of the Second ARCA arose during the Step-in Period; or

(2) the Step-in Entity fails to comply with the requirements of any plan agreed between the Department and the Collateral Agent in connection with the extension of the relevant Cure Period Completion Date; and

B. not to take or support any action for the liquidation, bankruptcy, administration, receivership, reorganization, dissolution or winding up of the Concessionaire or for the composition or readjustment of the Concessionaire’s debts, or any similar insolvency procedure in relation to the Concessionaire, or for the appointment of a receiver, trustee, custodian, sequestrator, conservator, liquidator, administrator or similar official for the Concessionaire or for any part of the Concessionaire’s Property;

C. not to suspend its performance (including in connection with any insolvency or bankruptcy proceeding in relation to Concessionaire) under the Second ARCA, unless the grounds for suspension of performance arose during the Step-in Period; and

D. to continue to make payments required to be made to Concessionaire under the Second ARCA to the Designated Account and the Revenue Account.

(ii) the Department will owe its obligations under the Second ARCA and this Agreement to the Concessionaire and such Step-in Entity jointly; provided, however, that:

A. subject to Section 4.02(b)(ii)(B), the performance of such obligations by the Department in favor of either such Step-in Entity or the Concessionaire will be a good and effective discharge of such obligations under this Agreement and the Second ARCA; and

B. the Collateral Agent will be entitled at any time by notice in writing to the Department to direct (such direction being binding on the Collateral Agent, the Department and the Concessionaire) that, at all times thereafter while such Step-in Entity is deemed to be a party to the Second ARCA and this Agreement and subject to any further notice from the Collateral Agent, such Step-in Entity will be solely entitled to make any decisions, to give any directions, approvals or consents, to receive any payments or otherwise to deal with the Department under the Second ARCA and this Agreement.

(c) The Concessionaire will not be relieved from any of its obligations under the Second ARCA, whether arising before or after the Step-in Date, by reason of the Step-in Entity becoming a party to the Second ARCA pursuant to a Step-in Entity Accession Agreement, except to the extent provided in Section 3.02.

### **Section 4.03 Step Out**

(a) A Step-in Entity may, at any time, by giving not less than 30 Days' prior written notice ("Step-out Notice") to the Department, terminate its obligations to the Department under the Second ARCA and this Agreement, whereupon the Step-in Entity will, upon the expiry of such notice, no longer be deemed to be a party to the Second ARCA and this Agreement and, except as provided in Section 4.03(b), will be released from all obligations under the Second ARCA and this Agreement. The obligations of the Department to the Step-in Entity in such capacity under the Second ARCA and this Agreement will also terminate upon the expiry of such notice.

(b) Nothing in this Section 4.03 will have the effect of releasing the Step-in Entity from any liability that relates to the performance or non-performance of the Second ARCA or this Agreement by the Concessionaire or the Step-in Entity during the Step-in Period.

**ARTICLE 5.**  
**SUBSTITUTION PROPOSALS**

**Section 5.01 Notice of Proposed Substitute**

To the extent that the Collateral Agent or the Lenders at any time propose to require the Concessionaire to assign its rights and obligations under the Second ARCA and/or this Agreement to a Person (a “Substitute”) designated by the Collateral Agent or the Lenders (whether by mutual agreement or enforcement of rights under the Combined Project Financing Agreements), the effectiveness of such assignment will be conditional upon:

- (a) the Collateral Agent issuing a notice (a “Substitution Notice”) to the Department requesting the Department’s prior approval of the proposed Substitute;
- (b) the Department approving the identity of the proposed Substitute pursuant to Section 5.02; and
- (c) the proposed Substitute executing a Substitute Accession Agreement in accordance with Section 6.01.

**Section 5.02 Grounds for Refusing Approval**

The Department will only be entitled to withhold its approval to any proposed Substitute that is the subject of a Substitution Notice if:

- (a) In the Department’s reasonable opinion, the proposed Substitute is not a Qualified Substitute Concessionaire; or
- (b) subject to Section 6.04, there are outstanding breaches of the Second ARCA that have been previously notified by the Department to the Collateral Agent and have not, to the reasonable satisfaction of the Department, been remedied or waived prior to the date of the Substitution Notice; unless the Department has approved (such approval not to be unreasonably withheld or delayed) a plan specifying the remedial action that the Substitute will be required to take after the Substitution Effective Date in order to remedy each such breach.

**Section 5.03 Provision of Information**

The Collateral Agent will, as soon as practicable, provide to the Department such information in relation to the proposed Substitute and any Person who, it is proposed, will enter into a material subcontract with the proposed Substitute in relation to the Project, as the Department will reasonably require to enable it to reasonably determine whether the proposed Substitute is a Qualified Substitute Concessionaire, including:

- (a) the name and address of the proposed Substitute;
- (b) unless such proposed Substitute is a publicly-traded entity, the names of the proposed Substitute’s shareholders or members and the share capital or partnership or membership interests, as the case may be, held by each of them;

(c) the manner in which it is proposed to finance the proposed Substitute and the extent to which such financing is committed (to the extent relevant);

(d) copies of the proposed Substitute's most recent financial statements (and if available, such financial statements will be for the last three financial years and audited), or in the case of a special purpose company, its opening balance sheet;

(e) a copy of the proposed Substitute's organizational documents;

(f) details of the resources available to the proposed Substitute and the proposed Substitute's appropriate qualifications, experience and technical competence available to the proposed Substitute to enable it to perform the obligations of the Concessionaire under the Second ARCA; and

(g) the names of the proposed Substitute's directors and any key personnel who will have responsibility for the day-to-day management of its participation in the Project.

## **ARTICLE 6. SUBSTITUTION**

### **Section 6.01 Substitution Effective Date**

If the Department approves the identity of a proposed Substitute pursuant to Article 5, the Substitute will execute a duly completed Substitute Accession Agreement substantially in the form set out in Annex 2 to this Agreement and submit it to the Department (with a copy of it to the other parties to this Agreement). Such assignment will become effective on and from the date on which the Department countersigns the Substitute Accession Agreement (the "Substitution Effective Date").

### **Section 6.02 Effectiveness of Substitution**

On and from the Substitution Effective Date:

(a) such Substitute will become a party to the Second ARCA and this Agreement in place of the Concessionaire who will be immediately released from its obligations arising under, and cease to be a party to, the Second ARCA and this Agreement from that Substitution Effective Date; and

(b) such Substitute will exercise and enjoy the rights and perform the obligations of the Concessionaire under the Second ARCA and this Agreement, and

(c) the Department shall owe its obligations (including, without limitation, any undischarged liability in respect of any loss or damage suffered or incurred by the Concessionaire prior to the Substitution Effective Date) under the Second ARCA and this Agreement to such Substitute in place of the Concessionaire and any Step-in Entity.

### **Section 6.03 Facilitation of Transfer**

The Department will use its reasonable efforts to facilitate the transfer to the Substitute of the Concessionaire's obligations under the Second ARCA and this Agreement.

### **Section 6.04 Settlement of Outstanding Financial Liabilities**

(a) The Substitute will pay to the Department within 30 Days after the Substitution Effective Date any amount due from the Concessionaire to the Department under the Second ARCA and this Agreement as of the Substitution Effective Date (as notified by the Department to the Substitute reasonably in advance of such Substitution Effective Date).

(b) If the Substitute fails to satisfy its obligations pursuant to Section 6.04(a), the Department will be entitled to exercise its rights under the Second ARCA in respect of the amount so due and unpaid.

### **Section 6.05 Consequences of Substitution**

On and from the Substitution Effective Date:

(a) subject to Section 6.04, any right of termination or any other right suspended by virtue of Section 3.01 will be of no further effect, however, the Department will not be entitled to terminate the Second ARCA and this Agreement based on any act, omission, or circumstance that occurred prior to such Substitution Effective Date; and

(b) if any Step-in Entity is a party to or has any obligations under the Second ARCA and this Agreement on the Substitution Effective Date, such Step-in Entity will cease to be a party thereto and hereto and will be discharged from all obligations thereunder and hereunder; and the Department will enter into an equivalent direct agreement on substantially the same terms as this Agreement, save that the Concessionaire will be replaced as a party by the Substitute.

## **ARTICLE 7.. REINSTATEMENT OF REMEDIES**

If a Department Notice has been given, the grounds for that notice are continuing and have not been remedied or waived by the Department and:

(a) no Step-in Entity or Substitute becomes a party to the Second ARCA and this Agreement before the Cure Period Completion Date relating thereto; or

(b) a Step-in Entity becomes a party to the Second ARCA and this Agreement, but the Step-in Period relating to such Step-in Entity ends without a Substitute becoming a party thereto and hereto,

then, on and from the Cure Period Completion Date or the date such Step-in Period expires, the Department will be entitled to:

(i) act upon any and all grounds for termination of the 395 Project available to it in respect of 395 Concessionaire Breaches under the Second ARCA that have not been remedied or waived by the Department;

(ii) pursue any and all claims and exercise any and all remedies against the Concessionaire in respect of 395 Concessionaire Breaches under the Second ARCA; and

(iii) if and to the extent that it is then entitled to do so under the Second ARCA, take or support any action of the type referred to in Section 3.01(b).

## **ARTICLE 8. TERMINATION OF THIS AGREEMENT**

This Agreement will remain in effect until 395 Final Completion.

## **ARTICLE 9. PRESERVATION OF FUNDS**

Notwithstanding the other provisions of this Agreement and the terms and conditions of the Combined Project Financing Agreements, the Collateral Agent agrees for itself and on behalf of the Lenders that it will not exercise any rights under the Combined Project Financing Agreements or take any other steps that would prejudice the operation of Sections 5.11 (Annual Transit Investment), 9.04 (Major Maintenance Reserve Fund), 17.07 (Restoration; Insurance Proceeds), and 20.02 (Handback Obligations and Reserve) of the Second ARCA.

(h) The undersigned signatory for the Department hereby represents and warrants that he or she is an authorized official of the Department and has full and complete authority to enter into this Agreement on behalf of the Department.

(i) The Department has full power, right and authority to execute and perform each and all of its obligations under this Agreement and the Second ARCA. These representations and warranties are made for the purpose of inducing the Collateral Agent to enter into this Agreement.

(j) The Department represents and warrants that each of this Agreement and the Second ARCA has been duly authorized, executed and delivered by the Department and constitutes a valid and legally binding obligation of the Department, enforceable against the Department in accordance with the terms hereof and thereof, subject only to applicable bankruptcy, insolvency and similar laws affecting the enforceability of the rights of creditors generally and to general principles of equity.

(k) The Department represents and warrants that there is no Department Default or, to the best of its knowledge, no Concessionaire Default or 395 Concessionaire Breach, there exists no event or condition that would, with the giving of notice or passage of time or both, constitute such a Department Default or, to the best of its knowledge, a Concessionaire Default or 395 Concessionaire Breach, and no such Department Default or, to the best of its knowledge, Concessionaire Default or 395 Concessionaire Breach has occurred prior to the date hereof.

## **Section 10.02 Public Information and Confidentiality**

The Department and the Collateral Agent will, for each other's benefit, comply with the requirements of Section 18.02 of the Second ARCA as if any reference to the Concessionaire therein was a reference to the Collateral Agent.

### **Section 10.03 Amendments and Waivers**

(a) No amendment of this Agreement, and no waiver of any term, covenant or condition of this Agreement, will be effective unless in writing and signed by the parties to this Agreement.

(b) The exercise by a party of any right or remedy provided under this Agreement or law will not waive or preclude any other or further exercise thereof or the exercise of any other right or remedy. The remedies provided herein are cumulative and not exclusive of any remedies provided by law and may be exercised by the Collateral Agent or the Lenders and any permitted designee, transferee or assignee thereof from time to time. No waiver by any party of any right or remedy under this Agreement or law will be deemed to be a waiver of any other or subsequent right or remedy under this Agreement or law. The consent by one party to any act by the other party requiring such consent will not be deemed to render unnecessary the obtaining of consent to any subsequent act for which consent is required, regardless of whether similar to the act for which consent is given.

### **Section 10.04 Non-Collusion**

(a) The Collateral Agent warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Collateral Agent, to solicit or secure this Agreement and that it has not paid or agreed to pay any company or person any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from making of this Agreement.

(b) For breach or violation of this warranty, the Department will have the right to terminate this Agreement without liability.

### **Section 10.05 Disputes**

(a) In the event of any dispute between the Department and the Collateral Agent under this Agreement, the parties will resolve the dispute according to the dispute resolution procedures set forth in the Second ARCA, with the Collateral Agent having the same rights and obligations of the Concessionaire under the disputes resolution procedures set forth in Article 21 of the Second ARCA.

(b) Nothing in Section 10.05(a) affects the Collateral Agent's rights and remedies against the Concessionaire and the Concessionaire's Interest under the Combined Project Financing Agreements or the procedures available to the Collateral Agent under law to exercise its security interests thereunder.

### **Section 10.06 Successors and Assigns**

(a) No party to this Agreement may assign or transfer any part of its rights or obligations hereunder without the prior written consent of the other parties; *provided*, however, that the Collateral Agent may assign or transfer its rights and obligations hereunder to a successor Collateral Agent in accordance with the Combined Project Financing Agreements and the Department may transfer its rights or obligations hereunder in accordance with and subject to the

terms and conditions set forth in Section 25.03 of the Second ARCA. In connection with any such assignment or transfer, the Department agrees to enter into a new direct agreement with the successor Collateral Agent on terms that are substantially the same as those of this Agreement.

(b) This Agreement will be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

### **Section 10.07 Severability**

In the event any one or more of the provisions contained in this Agreement will, for any reason, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability will not affect any other provision thereof and this Agreement will be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

### **Section 10.08 [Reserved]**

### **Section 10.09 Notices and Communications**

(a) Whenever under the provisions of this Agreement it will be necessary or desirable for one party to serve any approval, notice, request, demand, report or other communication on another party, the same will be in writing and will not be effective for any purpose unless and until actually received by the addressee or unless served (i) personally, (ii) by independent, reputable, overnight commercial courier, (iii) by facsimile transmission, where the transmitting party includes a cover sheet identifying the name, location and identity of the transmitting party, the phone number of the transmitting device, the date and time of transmission and the number of pages transmitted (including the cover page), where the transmitting device or receiving device records verification of receipt and the date and time of transmission receipt and the phone number of the other device, and where the facsimile transmission is immediately followed by service of the original of the subject item in another manner permitted herein or (iv) by deposit in the United States mail, postage and fees fully prepaid, registered or certified mail, with return receipt requested, addressed as follows:

**Section 10.11 Counterparts**

This instrument may be executed in two or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

**Section 10.12 No Third-Party Beneficiaries**
